January 16, 2014

**SINGLE STREAM RECYCLING BEGINS IMMEDIATELY:** We are pleased to announce that beginning immediately the Borough is replacing our current restricted recycling program with "Single Stream Recycling". Basically, this means that you no longer need to separate your recyclable items into specific bins and can now place them all curbside for collection in a single container. Cans, glass, cardboard, newspapers and plastic can all be mixed together.

**RECYCLABLE ITEMS:** SEE THE ENCLOSED TWO-SIDED FLYER WHICH DETAILS THE ITEMS WHICH CAN AND CANNOT BE RECYCLED.

**CURBSIDE COLLECTION THURSDAYS:** We will continue to collect recycling curbside on Thursdays<sup>1</sup>. Since we start at 5:00 AM, items should be put out on Wednesday nights.

**DROP-OFF RECYCLING:** Wesleyville residents can continue if they so choose to take recyclable items to our Recycling Center at the eastern end of Woodlawn Ave. Items must be placed in the appropriate containers and should not be dumped on the ground. There are separate containers for newspapers and for cardboard (if you choose to separate them - they should not be contaminated by other materials); all other items including cardboard and newspaper can be placed together in any of the other containers.

**SAVE MONEY AND THE ENVIRONMENT:** Please help us keep garbage fees down by recycling as much as you can. Every item recycled is an item not dumped in the landfill, which saves the environment and saves all of us money. Recycling costs are much lower than waste disposal costs.

**QUESTIONS?** Contact the Borough Office at 814-899-9124 or [wesboro@roadrunner.com](mailto:wesboro@roadrunner.com) or visit our website [www.wesleyvilleborough.com](http://www.wesleyvilleborough.com) for more information.

Follow us on **Facebook** [www.facebook.com/WesleyvillePA](http://www.facebook.com/WesleyvillePA) and **Twitter** @WesleyvillePA

**Reminder - TRASH LIMITS:** UP TO FOUR (4) BAGS OR CANS OR ANY COMBINATION.
